

Water soluble oil and acrylic painting course for beginners - advanced

Winter 2018

Lisa Marie Boissonneau

The painting on canvas course focuses mainly on research, creativity and the acquisition of techniques that foster the growth of the personal style of each participant, working from sketches or personal images. The students will deepen their understanding of the composition, the use of colours and the application of paint. Classes include demonstrations, individual advice and criticism

Required materials

Mounted canvas

Water-soluble oil paint (Holbein, cobra, Windsor and newton Artisan etc.) or acrylic paint (Amsterdam, Liquitex, Pébéo etc.)

A variety of paint brushes (bristle or synthetic)

Spatula

Linseed oil (water-soluble)

Roll of blue shop paper
