Classical, Contemporary & Abstract

Oil (water soluble) & Acrylic Painting

(students of all levels)

Katica Sitar

Supply list:

Please think environment and health first!

When buying a new set or just replenishing your already existing oil (water soluble) or acrylic color supply, avoid toxins!

1. *Look for* ***water soluble and mixable oil colors.***
2. ***Please don't bring*** *into class turpentine, petroleum solvents or any cleansing liquids. Both acrylic and water soluble and mixable oil colors are to be washed with water and soap.*

Beginners: For the first class if you are painting with water soluble oil or acrylic colors, you will need the following:

Colors: Red, blue, and yellow.

Bonding: Water soluble and mixable oil and acrylic paints are bonding with water.

Brushes: Made of natural bristles. For example, size 4, 6 & 8 (bring two or more).

Supports: Canvas, boards etc. Please bring two pieces of your choice

P.S. Suggested list of materials with be discussed in the class. If you are not sure of what to purchase, you can wait to purchase materials after class discussion. For the first class, the teacher will supply materials for free.

Professor: ***Katica Sitar –*** *BFA Concordia University* ***Tel: (514) 631-8016.***
